**Re: CSR-7110Z
Amendment to Atlantic Broadband Finance, LLC's ("ABB") Request for Waiver of 47
C.F.R. § 1204(a)(1) and Request for Clarification**

Dear Ms. Dortch:

We write on behalf of ABB to amend the above-referenced waiver request. In that request, ABB requested a waiver for the Motorola DCT-2200 set-top box. ABB no longer requires a waiver for the DCT-2200, and would like to delete it from the request.

In addition, ABB included with its request specifications for a number of Scientific Atlanta set-top boxes, including the Explorer 2200 set-top box. ABB would like to clarify that, while it does request a waiver for the Explorer 940, Explorer 3100, Explorer 3200 and Explorer 3250 set-top boxes, ABB does not request a waiver for the Explorer 2200 set-top box.

Please contact me if you have any questions.

Sincerely,
